Diamond Wood Floors Wins NWFA Wood Floor of the Year Award

ST. LOUIS, May 10, 2019 - The National Wood Flooring Association (NWFA) is pleased to announce that Diamond Wood Floors, Dearing, Georgia, won the Best Color & Finish Application category in the NWFA's 2019 Wood Floor of the Year contest. The announcement was made on Thursday, May 2 during the Awards Ceremony at the NWFA Expo in Fort Worth, Texas.

The Wood Floor of the Year Awards were developed to encourage and recognize innovative craftsmanship and design in wood flooring installations. Since the program began in 1990, more than 200 awards have been presented to NWFA member companies throughout the United States and Canada, as well as in Russia, Belgium, and Finland.

This year's Wood Floor of the Year Contest yielded 65 entries. All entries in the competition featured flooring installations completed between January and December 2018. A panel of judges comprised of technical advisory committee members and industry leaders evaluated the individual categories. The NWFA membership voted on all entries to recognize the Members' Choice winner.
